

Elastomeric Acrylic Coatings A-300/A-400 Color Selection Chart

A-300 FINISH - **Cool Roofs!**

CRRC® and ENERGY STAR® listed highly elastomeric coating. Exceptional durability and UV stability extends roof life. Attractive bright white reduces energy consumption. Apply by brush, roller, or airless sprayer. All five colors available.

A-400-W MASONRY WALL COATING - **Cool Walls!**

CRRC® listed one of our most popular specialty coatings! It's formulated to provide a flexible, waterproofing, liquid-applied membrane for exterior masonry surfaces. All five colors available.

NOTE: Colors may appear differently on your monitor.
Please consult manufacturer's printed color chart, available upon request.
