OVERVIEW

Overview

Mule-Hide Products Co., Inc. ("Mule-Hide") offers several types of warranties ranging from material warranties to System warranties. These warranties are available in 10, 15, and 20 year durations. A Mule-Hide warranty is a guarantee by Mule-Hide to repair or replace deficiencies with Mule-Hide materials or roof systems. Mule-Hide presently offers three types of warranties for our single-ply membranes/systems and our SAMB membranes/systems:

- Roofing Membrane Limited Warranties
- Standard System Warranties
- Premium System Warranties

A Membrane Only warranty may be combined with select Standard or Premium warranties. Available selections are as follows;

- Standard-10 or Premium-10 + Membrane-15 OR Membrane-20
- Standard-15 or Premium-15 + Membrane-20

Mule-Hide also offers material/system warranties for our coatings:

- Coatings Material Only Warranties
- Coatings System Warranties.

Fees are required for all System warranties. System Warranties must be obtained through a Mule-Hide Warranty Eligible Applicator. System warranties are not available for residential projects. Membrane and material warranties do not require the applicator to be Mule-Hide Warranty Eligible, but certain membrane/material warranties do require fees.

Coatings Material Only Warranty

This warranty, subject to the terms and conditions stated in the warranty, warrants to the building owner that the materials are free of manufacturing defects and will not prematurely deteriorate to the point of failure because of weathering. Workmanship is not covered by this warranty. Distributor invoices showing purchase of Mule-Hide materials are required and are to be submitted to Mule-Hide with the Mule-Hide Warranty Application.

Coatings System Warranty

This warranty, subject to the terms and conditions stated in the warranty, covers leaks due to defects in the Mule-Hide materials or workmanship of the Mule-Hide Warranty Eligible Applicator in installing same. Distributor invoices showing purchase of Mule-Hide materials are required and are to be submitted to Mule-Hide with the Mule-Hide Warranty Application.

Roofing Membrane Limited Warranty

This warranty covers only the Mule-Hide membrane (or portion thereof) determined by Mule-Hide to be defective and resulting in roof leaks. This Warranty does not cover workmanship or other components not supplied by Mule-Hide. Mule-Hide does not perform inspections of the installation before issuing the Roofing Membrane Limited Warranty. A Mule-Hide Warranty Application must be submitted to Mule-Hide to obtain this warranty (check with Mule-Hide for those programs that may not require submittal of a Warranty Application). Certain warranties may require fees and proof of purchase. Mule-Hide recommends that Warranty Applications be submitted for review prior to project start.
